

Support Services Market Report Q2 2020

Headcount's Support Service Division was founded following demands from our clients for contract solutions to support their resource requirements outside of engineering roles. The Division is led by Andy Litchfield.

Headcount has recently been engaged to provide the complete resource solution for a pharmaceutical site that is undergoing a 5 year decommissioning plan.

- 1** Proportionally Ireland has the 4th highest international workforce in the EU. (IDA Ireland)
- 2** Companies operating in Ireland have access to a labour pool of almost 250m people from across the EU. (IDA Ireland)
